SPEED, SENSES, & CONDITIONS

Lucky. When you roll a 1 on an attack roll, ability check, or saving throw, you can reroll the die and must use the new roll.

Brave. You have advantage on saving throws against being frightened.

Halfling Nimbleness. You can move through the space of any creature that is of a size larger than yours.

Naturally Stealthy. You can attempt to hide even when you are obscured only by a creature that is at least one size larger than you.

RACIAL TRAITS

Bardic Inspiration (Bonus Action—2/Long Rest). Inspire one creature other than yourself within 60 feet of you who can hear you. It gains one Bardic Inspiration die, a d6.Once within the next 10 minutes, the creature can roll the die and add the number rolled to one ability check, attack roll, or saving throw it makes.

Song of Rest. You or any friendly creatures who can hear your performance regain hp at the end of the short rest by spending one or more Hit Dice, each of those creatures regains an extra 1d6 hit points.

FLAW

Researcher

When you attempt to learn or recall a piece of lore, if you do not know that information, you often know where and from whom you can obtain it. Usually, this information comes from a library, scriptorium, university, or a sage or other learned person or creature. Your DM might rule that the knowledge you seek is secreted away in an almost inaccessible place, or that it simply cannot be found. Unearthing the deepest secrets of the multiverse can require an adventure or even a whole campaign

ApollodorusMerric Huebald Clovis GreenbottleNiemand noemt hem Merric. Zelfs hijzelf niet meer.Hij draagt de naam Apollodorus als een schild — een artiestennaam die hij koos lang voordat hij begreep waarom. Nu begrijpt hij het maar al te goed. Merric Huebald Clovis Greenbottle is een naam die kan verdwijnen. Apollodorus is een naam die in boeken komt.Hij groeide op als een gewone halfling in een niet-zo-gewone familie. Zijn vader Huebald was een rustige man, zijn moeder zacht en geduldig. Maar het was zijn grootvader Clovis die hem vormde — dichter, geleerde, avonturier, en verteller van verhalen die de kamer vulden tot aan het plafond. Als kind hing Merric aan diens lippen. Elke avond een nieuw verhaal. Elke morgen een nieuwe vraag.Clovis stierf toen Merric nog jong was.En toen begon de echte les — de les die niemand hem bewust leerde, maar die hij nooit meer vergat. Binnen enkele jaren sprak niemand nog over zijn grootvader. De notities lagen te verstoffen. De liederen werden niet meer gezongen. De naam verdween uit gesprekken, als rook die opttrekt in de lucht.Een leven vol grootse daden garandeert niets. Als niemand het bewaart, verdwijnt alles.Die gedachte liet hem niet meer los. Hij stortte zich op boeken, talen, muziek, geschiedenis — niet uit ijdelheid, maar uit een haast morele paniek. Hij studeerde aan de hoogste scholen van zijn continent, verslond archieven en bibliotheken, en schreef zijn eigen werken: liederen en boeken gebaseerd op de kennis en verhalen van tientallen culturen. Zijn muziek was geleerd maar nooit droog — want kennis zonder schoonheid bereikt niemand, en wat niemand bereikt, vergeet men sneller.Hij reisde. Hij schreef. Hij onthoudt.En dan — zonder waarschuwing, zonder spoor — verdween zijn familie.Niet gestorven. Verdwenen. Alsof ze er nooit waren geweest. Anderen kijken hem aan met lege ogen als hij hun namen noemt. Geen herinnering. Geen rouw. Alleen stilte.Maar hij herinnert het zich. Elke gezicht. Elke stem. Elke geur van hun huis op een regenachtige avond.Hij draagt dat gewicht elke dag. In zijn boek — het grote, zwaardere-dan-het-eruit-ziet boek dat hij altijd bij zich heeft — staan hun namen, hun gezichten, hun verhalen. Geschreven in groot detail. Want als hij het niet bijhoudt, wie dan?Apollodorus is geen held uit ambitie. Hij is een man die schrijft omdat hij bang is. Bang dat als hij stopt, de laatste vlam van iets kostbaars uitdooft. En ergens, diep in de nog niet beschreven pagina's van zijn boek, wacht de vraag die hem 's nachts wakker houdt:Als zijn familie uit het geheugen van de wereld gewist kon worden alsof ze nooit hebben bestaan — wie zegt dan dat hij zelf veilig is?

Mage Hand

Conjuration Cantrip

CASTING TIME	1 action
RANGE	30 feet
DURATION	1 minute
COMPONENTS	V, S

A spectral, floating hand appears at a point you choose within range. The hand lasts for the duration or until you dismiss it as an action. The hand vanishes if it is ever more than 30 feet away from you or if you cast this spell again.

You can use your action to control the hand. You can use the hand to manipulate an object, open an unlocked door or container, stow or retrieve an item from an open container, or pour the contents out of a vial. You can move the hand up to 30 feet each time you use it. The hand can't attack, activate magic items, or carry more than 10 pounds.

Spellcasting (Bard) *Player's Handbook*

Vicious Mockery

Enchantment Cantrip

CASTING TIME	1 action
RANGE	60 feet
DURATION	Instantaneous
COMPONENTS	V

You unleash a string of insults laced with subtle enchantments at a creature you can see within range. If the target can hear you (thought it need not understand you), it must succeed on a Wisdom saving throw or take 1d4 psychic damage and have disadvantage on the next attack roll it makes before the end of its next turn. This spell's damage increases by 1d4 when you reach 5th level (2d4), 11th level (3d4) and 17th level (4d4)

Spellcasting (Bard) *Player's Handbook*

Dissonant Whispers

1st-level enchantment

CASTING TIME	1 action
RANGE	60 feet
DURATION	Instantaneous
COMPONENTS	V

You whisper a discordant melody that only one creature of your choice within range can hear, wracking it with terrible pain. The target must make a Wisdom saving throw. On a failed save, it takes 3d6 psychic damage and must immediately use its reaction , if available, to move as far as its speed allows away from you. The creature doesn't move into obviously dangerous ground, such as a fire or a pit. On a successful save, the target takes half as much damage and doesn't have to move away. A deafened creature automatically succeeds on the save.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d6 for each slot level above 1st.

Spellcasting (Bard) *Player's Handbook*

Faerie Fire

1st-level evocation

CASTING TIME	1 action
RANGE	60 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V

Each object in a 20-foot cube within range is outlined in blue, green, or violet light (your choice). Any creature in the area when the spell is cast is also outlined in light if it fails a Dexterity saving throw. For the duration, objects and affected creatures shed dim light in a 10-foot radius.

Any attack roll against an affected creature or object has advantage if the attacker can see it, and the affected creature or object can't benefit from being invisible.

Spellcasting (Bard) *Player's Handbook*

Healing Word

1st-level evocation

CASTING TIME	1 bonus action
RANGE	60 feet
DURATION	Instantaneous
COMPONENTS	V

A creature of your choice that you can see within range regains hit points equal to 1d4 + your spellcasting ability modifier. This spell has no effect on undead or constructs.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the healing increases by 1d4 for each slot level above 1st.

Spellcasting (Bard) *Player's Handbook*

Tasha's Hideous Laughter

1st-level enchantment

CASTING TIME	1 action
RANGE	30 feet
DURATION	Concentration, up to 1 minute
COMPONENTS	V, S, M (tiny tarts and a feather that is waved in the air)

A creature of your choice that you can see within range perceives everything as hilariously funny and falls into fits of laughter if this spell affects it. The target must succeed on a Wisdom saving throw or fall prone, becoming incapacitated and unable to stand up for the duration. A creature with an Intelligence score of 4 or less isn't affected.

At the end of each of its turns, and each time it takes damage, the target can make another Wisdom saving throw. The target has advantage on the saving throw if it's triggered by damage. On a success, the spell ends.

Spellcasting (Bard) *Player's Handbook*

Thunderwave

1st-level evocation

CASTING TIME	1 action
RANGE	Self (15-foot cube)
DURATION	Instantaneous
COMPONENTS	V, S

A wave of thunderous force sweeps out from you. Each creature in a 15-foot cube originating from you must make a Constitution saving throw. On a failed save, a creature takes 2d8 thunder damage and is pushed 10 feet away from you. On a successful save, the creature takes half as much damage and isn't pushed. In addition, unsecured objects that are completely within the area of effect are automatically pushed 10 feet away from you by the spell's effect, and the spell emits a thunderous boom audible out to 300 feet.

At Higher Levels. When you cast this spell using a spell slot of 2nd level or higher, the damage increases by 1d8 for each slot level above 1st.

Spellcasting (Bard) *Player's Handbook*

Leather

Armor

The breastplate and shoulder protectors of this armor are made of leather that has been stiffened by being boiled in oil. The rest of the armor is made of softer and more flexible materials.

10 lb. Player's Handbook

Rapier

Weapons

2 lb. Player's Handbook

Dagger

Weapons

1 lb. Player's Handbook

Lute (Spelcasting focus)

Musical Instruments

If you have proficiency with the lute, you can add your proficiency bonus to any ability checks you make to play music with the instrument. A bard can use a musical instrument as a spellcasting focus.

2 lbs. Player's Handbook

Diplomat's Pack

Equipment Packs

Includes a chest, 2 cases for maps and scrolls, a set of fine clothes, a bottle of ink, an ink pen, a lamp, 2 flasks of oil, 5 sheets of paper, a vial of perfume, sealing wax, and soap.

10 lbs. Player's Handbook

Great book of Apollodorus

Adventuring Gear

A book might contain poetry, historical accounts, information pertaining to a particular field of lore, diagrams and notes on gnomish contraptions, or just about anything else that can be represented using text or pictures. A book of spells is a spellbook (described later in this section).
